## Good Stuff Trucks Bring™ It Decal Program

GE's recent commitment to place Good Stuff, Trucks Bring It™ decals on 10,000 rental trailers to support the American Trucking Associations identity campaign is well underway.

With over 100 branch locations and a fleet of over 135,000 trailers, GE's Trailer Fleet Services is in a unique position to make a broad impact on the ATA identity campaign.

Watch a slideshow of Trailer Fleet Services mechanics across the U.S. proudly affixing decals on our trailers.
